EXPERIENCE

Summer Intern	May 2024 - June 2024
Adani Group	On-site Pali, Rajasthan

- Gained hands on experience in setting up networks, managing IT infrastructure, and ensuring data security.
- Worked on handling employee management systems in large organizations.

Team Head	September 2023- Present
Team Envision, Aaruush	SRM University, Chennai

- Full Stack Web Developer at Team Envision, leading the team, managing projects, assigning tasks, and building both frontend and backend.
- Managed juniors, guided them in development tasks, and ensured project completion efficiently.

Trainee	Feb 2025-Present
PwC India	

- Learned core concepts of cybersecurity, including threats, cryptography, and secure network practices.
- Gained hands on experience with PowerShell, Python, Java (OOP), RDBMS, and DevOps basics.

PROJECTS

[Aaruush Main Website](#) - Developed and optimized an event management platform using Next.js, MERN stack and AWS, enhancing user experience for over 10,000 students. Streamlined event registrations, scheduling, and participant engagement, ensuring a seamless and interactive fest experience.

[Team Envision Website](#) - Developed the official Team Envision website for Aaruush, SRM's techno management fest, providing a centralized platform to enhance team collaboration and outreach. The website streamlined information sharing and improved engagement, contributing to a more organized and efficient event experience.

EXTRA-CURRICULAR ACTIVITIES

- Played national level in table tennis and American football.
- Won multiple inter college badminton tournaments, demonstrating competitive spirit across different sports.
